Re: Settlement Agreement for Trinity Superfund Site, Cleveland, Ohio
CERCLA Docket No. V-W-12-C-999

Dear Mr. Karl:

The United States Environmental Protection Agency has requested that the United States Department of Justice ("DOJ") approve an administrative Settlement Agreement for the Recovery of Past Costs ("Settlement Agreement") concerning the Trinity Superfund Site located in Cleveland, Ohio ("the Site"). The Settlement Agreement resolves the liability of Standex International Corporation for past response costs incurred pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act, 42 U.S.C. §§ 9601 *et seq.*, at the Site. The Settlement Agreement requires the Settling Party to pay \$110,000. Pursuant to this letter, DOJ approves the Settlement Agreement. If you have any questions, please contact Acting Assistant Section Chief Arnold Rosenthal or me.

Sincerely,

Robert E. Maher, Jr.
Acting Deputy Section Chief
Environmental Enforcement Section
